

provided by the fleet management department in amounts sufficient to provide for the acquisition, maintenance, repair and replacement of vehicles and other rolling stock in the city's fleet and operation of the fleet management department;

E. Manage the acquisition, maintenance, repair and replacement of vehicles and other rolling stock in the fleet management department's program, whether by purchase or lease, subject to approval of contracts by city council;

F. Perform other functions and execute such other powers as may be prescribed from time to time by ordinance. (Ord. 969 § 1, 2005).

2.30.050 Use of city-owned or leased vehicles and rolling stock.

City-owned or leased motor vehicles and rolling stock shall be used exclusively for official city purposes. No city-owned or leased vehicle or rolling stock shall be rented or loaned, except to city departments, to duly registered and authorized volunteer workers in the furtherance of approved city programs, to persons providing service to the city under contract and in accordance with the terms of their contract, or to other governmental agencies or associations of cities, towns or governmental agencies, or in conformance with mutual aid agreements. The director is authorized to promulgate rules and regulations to secure adequate consideration for the use of city-owned or leased motor vehicles or other rolling stock, and for other services, pursuant thereto, and to secure the return of such motor vehicles in proper condition. (Ord. 969 § 1, 2005).

The Snoqualmie Municipal Code is current through Ordinance 1215, passed June 10, 2019.
